

JSI EVENT CALENDAR

FOR 2012-13

$$y = \log_b(x) \text{ iff } x = b^y$$

JSI Workshop	Course Code	Level	Class A 1st semester (Nov 17, 2012)	Class B 2nd semester (Mar 9, 2013)	Class C Summer (Jul 16, 2013)	Time	Medium of Instruction	Remarks
--------------	-------------	-------	---	--	-------------------------------------	------	--------------------------	---------

Biochemistry

Biomolecules and the Omics Revolution	JSI0025	F.5 - F.6	√	√	√	9:30am-5:00pm	English	
---------------------------------------	---------	-----------	---	---	---	---------------	---------	--

Biological Sciences

Molecular Analysis of Genetically Modified (GM) Plants	JSI0002	F.4 - F.6	√	√		9:30am-5:00pm	English	
Hong Kong Amphibians & Reptiles-Night Safari at Tai Po Kau Nature Reserve	JSI0011	F.4 - F.6	√	√	√	3:00pm-9:00pm	English	Includes a field trip to Tai Po Kau Nature Reserve
Investigating Genetic Diseases Using Yeast	JSI0026	F.5 - F.6		√	√	9:30am-5:00pm	English	
Meet your Meat	JSI0027	F.4 - F.6	√	√	√	9:30am-6:00pm	English	
Research and Conservation of Chinese White Dolphins: Experience of a Field Ecologist	JSI0028	F.5 - F.6			√	9:30am-5:30pm	English	The workshop will take place in Tai O Village and be facilitated by the Cetacean Ecology Lab field station of The Swire Institute of Marine Science. It will include a boat-based research survey, shore-based observations, and direct hands-on experience with collecting and analysing data.

Chemistry

Colourful Food	JSI0003	F.5 - F.6		√	√	9:30am-6:00pm	English	
The Magic of Polymers	JSI0004	F.5 - F.6		√		9:30am-5:00pm	English	

Earth Sciences

Discovering the Earth	JSI0005	F.4 - F.6	√		√	9:30am-5:00pm	English	
-----------------------	---------	-----------	---	--	---	---------------	---------	--

JSI Workshop	Course Code	Level	Class A 1st semester (Nov 17, 2012)	Class B 2nd semester (Mar 9, 2013)	Class C Summer (Jul 16, 2013)	Time	Medium of Instruction	Remarks
--------------	-------------	-------	---	--	-------------------------------------	------	--------------------------	---------

Geology and Landscapes of Hong Kong	JSI0021	F.4 - F.6		√		9:30am-5:00pm	English	The workshop will take place in outlying islands of Hong Kong.
-------------------------------------	---------	-----------	--	---	--	---------------	---------	--

Mathematics

Mathematics-An Octopus I	JSI0012	F.5 - F.6	√			9:30am-12:30pm	Mainly Cantonese supplemented by English terminologies	There are 3 meetings for this workshop: Nov 17, 24 and Dec 1, 2012
Mathematics-An Octopus II	JSI0013	F.5 - F.6	√			2:00-5:00pm	Mainly Cantonese supplemented by English terminologies	There are 3 meetings for this workshop: Nov 17, 24 and Dec 1, 2012
Mathematics-An Octopus III	JSI0014	F.4 - F.5		√		9:30am-12:30pm	English	There are 3 meetings for this workshop: Mar 9, 16, 23, 2013
Mathematics-An Octopus IV	JSI0015	F.4 - F.5		√		2:00-5:00pm	Mainly Cantonese supplemented by English terminologies	There are 3 meetings for this workshop: Mar 9, 16, 23, 2013

Physics

Astronomy Workshop	JSI0016	F.4 - F.6	√		√	7:00pm-10:00pm	English	There are 3 meetings for this workshop: 1st semester- Oct 20, 27, Nov 3, 2012 Summer semester- July 16, 18, 20, 2013
Kitchen Science	JSI0023	F.4 - F.6	√	√		9:30am-5:00pm	English	

Statistics and Actuarial Science

Probabilities and Statistics in Daily Life	JSI0024	F.4 - F.6		√		9:30am-5:00pm	English	
--	---------	-----------	--	---	--	---------------	---------	--

Notes:

- all workshops are held in HKU campus unless otherwise specified;
- classes A, B and C are identical. Students only need to enrol in one class;

- schedule of the workshops are subject to change; please check www.hku.hk/science/hkujsi for updates.
