

2012-2013 1st Life-wide Learning Day (5D)

Class	Name	Photo	Description
5D	Chan Ching Yi		<p>Visiting drug centre allowed me to have deeper understanding on not only the harmful effect of drug abuse, but also enrich my knowledge concerning chemical constituents in different drugs.</p>
5D	Chong Tsoi Yi		<p>There is a corner where posters promoting anti-drug and anti-drug crimes are hung. The posters show the harmful effects on the drug abusers' physical, mental and psychological health.</p>

<p>5D</p>	<p>Tam Ka Bo</p>		<p>The area shown in the photo is a background wall of 5 ex-drug abusers, for their reason to start drug abuse, the process and the result. This can show me a strong and powerful data for the disadvantages and problems brought by drug abuse and enhance my confidence nit to taking drug.</p>
<p>5D</p>	<p>Wong Chui Ying</p>		<p>This is the agent area in which some information of contemporary drugs such as ketamine, heroin and cannabis are exhibited. Information like ingestion methods, long-term and short-term effects of taking each drug is stated explicitly.</p>

5D	Wong Ka Yi		<p>They are tranquillizers- one of the most commonly abused drugs in Hong Kong. They give a feeling of 'high' when mixed with alcohols. People usually mix them with ecstasy.</p>
