

2012-2013 1st Life-wide Learning Day (6X)

Class	Name	Photo	Description
6A	Hui Ling Suet		<p>The drug abuser died at a very young age due to heroin overdose. Drug abusing has not only brought him to death, but also grief to his family.</p>
6B	Lo Ka San Ambrose		<p>Those blocks are showing ten different kinds of common drugs in HK. We can learn and know the ingredient, effect, background information of those drugs. After you have watched those blocks, I thought you will know more and refuse to take those drugs.</p>

6E Chan Ying Ki

Through the game playing, it is the funniest way to educate the teenagers not to take the drugs!

6E Cheung Man Hin

Anti-drug games are accessible to visitors in the Drug InfoCentre to give them information on the physical and psychological effects of drugs in a more diverting way.

6E	Chung Ka Lee Kally		<p>There are several computers provided for people to play computers games related to anti-drugs. The games provide an interesting means to teach people the consequences of taking drugs.</p>
6E	Wong Hong Yee		<p>This is the library in the Drug Information Centre. Hundreds of books and reports about the information of drugs in the past and nowadays are provided here.</p>
