CHAN SZE WING

I never knew that drug has lots of disadvantages to us, they are really terrible so i will not try them out.

CHAN TSZ YAN

Negative impacts brought by methamphetamine

LI WING MAN

This is a board about the experiences of six drug addicts. It includes the reasons why they started to take drugs and the effects brought to them.

WONG KA TUNG

The photo above shows different types and appearances of MDMA. After this visit, I have learnt that MDMA can cause various damages to the body, including extreme body temperature.

WONG KWAN WA

In this photo, there are the stories of some people who took drug before. The stories include why they took drug and the bad results they got after taking drug.
